General Issues of Interest to the CCB:**UK Publishes Application Form and Updated Guidance for Duty Suspension**

- On June 12, the United Kingdom (UK) updated its information regarding [duty suspensions](#) on certain import goods. The 2023 application window is open until August 6, 2023.
- The [Application Form: UK Duty Suspensions](#) is now available, and will be processed online to improve user experience. The UK also updated its [application guidance information pack](#).
- UK businesses may apply for a duty suspension to remove import duties on certain goods normally used in domestic production that are not currently being produced in sufficient quantities domestically. Suspensions are typically implemented for a two year period, apply to imported goods from all origins, and can be used by any UK business while in force.
