General Issues of Interest to the CCB:**Korea Publishes Draft Administrative Notice on Revision of Imported Food Declaration Regulations to Clarify Products Recognized as Safe**

- On May 20, South Korea's Ministry of Food and Drug Safety (MFDS) [published](#) (in Korean) draft *Notice No. 2024-520* regarding administrative amendments to the *Regulations on Declaration and Inspection of Imported Food, etc.*
- The revisions are designed to improve operation of the current import system by specifying the products that are recognized as safe by MFDS (according to inspection results and food product conformance history) and subject to simplified import inspection.
- Notably, products currently recognized as safe by MFDS continues to include cherries from the U.S.
- The draft administrative amendments enter into force June 14, 2024.
- Comments may be submitted to the Director of the MFDS at kjm79@korea.kr until June 10, 2024.
