## INSIDE THIS ISSUE

- **UK Opens Consultation on BPA Ban in Food Contact Materials**

## GENERAL ISSUES OF INTEREST TO THE CCB:

### UK Opens Consultation on BPA Ban in Food Contact Materials

- The United Kingdom's (UK) Food Standards Agency (FSA) recently opened [a consultation](#) on the proposal to implement a ban on the use of bisphenol A (BPA), other bisphenols, and bisphenol derivatives in food contact materials.
- The FSA notes that this consultation's purpose is to support the ban of BPA and gather evidence that may justify an alternative approach to a BPA ban. Additionally, FSA seeks input on implementation measures, transition periods, and potential exemptions.
- Comments may be submitted until December 24, 2025, using the online form found on the [consultation landing page](#).
